Arrangement

The general arrangement focuses on a well-thought-out passage to allow the smooth flow of guests and crew on board. All areas have been planned to fulfill the owner's wishes. The S701 has an unbeatable key point: its delivery time of 24/26 months.

Tankoa S701 is an open space vessel designed to meet all of the owner's desires. Thanks to her length of 70m, Tankoa S701 welcomes all the top luxury amenities. The large living areas are extended from inside to outside to give an experience with no boundaries. Tankoa S701 is the ideal choice for the lovers of large space onboard and those who enjoy the freedom of customizing each detail of a true cruising mansion.
