Superyacht Suerte for charter

Newly launched on the charter market, the 228-foot (69.4m) Tankoa luxury **#superyacht** **#suerte** is set to be one of the most impressive charter yachts in the world. She will be available for cruising throughout the Mediterranean, including the French Riviera, Italy, Corsica, Sardinia, Croatia, Greece and Turkey.

SUERTE can accommodate up to 12 guests in six luxurious staterooms. The master suite, a veritable penthouse, occupies the bridge deck and offers 180-degree panoramic views. In addition to a sumptuous bedroom with king-size bed, it features a private study and en-suite bathroom with both shower and tub, as well as a secluded deck area with Jacuzzi and comfortable seating. Located on the main deck, the spacious guest quarters include a VIP suite, two double staterooms and two further staterooms that can be cleverly configured with queen-sized or twin beds, depending on requirements. For unexpected guests or personal staff, SUERTE's skylounge features a sofa bed, which allows the space to convert to a double stateroom with en-suite shower.

SUERTE is a sleek, elegant and resolutely contemporary **#yacht** with a wealth of ingenious features to enhance your experience on board. A well-appointed beach club and bar allow you to relax in comfort, right on the water, whilst her spa is the perfect place to unwind. Experience a massage at sea level on one of the yacht's opening balconies, or enjoy an invigorating sauna while taking in the incredible views afforded by a second balcony on the other side. A steam room/Hammam is also available in this area. On the upper deck, an indoor/outdoor dining area offers protected alfresco dining at all times. Last but not least, SUERTE's touch-and-go helipad can be converted into a dance floor if the mood strikes and, if you're craving some alone time, the crow's nest, accessible by elevator, is a perfect place to get away from it all.
