The resplendent 228-foot (69.40m) Tankoa Yachts luxury superyacht SUERTE is now available for charter through Northrop & Johnson. She will be available for cruising throughout the Mediterranean, including the French Riviera, Italy, Corsica, Sardinia, Croatia, Greece and Turkey.

From her master stateroom with panoramic views to her chic beach club with spa amenities, this exceptional luxury charter yacht is one of the most impressive on the market.

SUERTE's Zen-like, contemporary interior will put your mind at ease. Beautifully styled by the renowned Francesco Paszkowski, SUERTE is both exquisite and comfortable. She is able to accommodate up to 12 guests in six beautiful staterooms; five of these are located on the main deck and the master suite, which is akin to a penthouse, is found on the bridge deck.

The exterior is as striking as the interior. Sleek lines and a modern profile are eye-catching. A beach club with a bar is an ideal place to spend the day on the water. The yacht's sea-level balconies are the perfect place to relax with a massage. She also has a sea-level steam room with a large window to allow for incredible views. SUERTE also features a tough-and-go helipad.
